## Venue Capacity

Our main auditorium has retractable seating, and can seat up to 370 people. Our standing capacity is a maximum of 600 people.

## The Team

With a very experienced events team, we can offer you full support in preparing your event. We can arrange a meeting with one of our professional engineers, who will help you to understand your technical specification. All of our spaces are fully equipped with lighting and PA systems that can be tailored to meet your needs.

## Bar Facilities

Should you require a bar for your event, we are fully licensed and have a flexible bar system to enable us to tailor the bar provision to meet your needs. The bar can be located in several positions both inside and outside the auditorium.

### Entrances:

The South Birmingham College Reception entrance: guests will be welcomed into a large, bright foyer and we have plenty of seating to enable a comfortable wait before the event begins. The Crossing entrance on Milk St: this entrance leads directly into the auditorium and may be preferable for some events.

## Venue Dimensions

Room dimensions: (excluding stage area) 19m x 15m | Ceiling Height – 15m Stage dimensions: (useable performance area) width 12m | depth 6m | height 1.2m

### Parking

There is limited on and off-site parking but it is not always available (contact us), on street parking is available on every side of the venue.

## Dressing Rooms

Multiple dressing rooms are available (as many as needed) and showering facilities are also onsite. Catering services can be provided but must be booked in advance.

### Internet Access

Wireless Internet available all over the venue. Login details are needed and can be supplied on demand.

## Storage
